LIT's Wanted!

Leaders in Training (LIT) is a leadership program for youth ages 13+ that have a genuine desire to work with children. It's also the next step for youth who have attended camps and would like to continue on in a leadership role.

LIT's will work cooperatively with other LIT's and summer program staff and will assist with daily program whether it's activities, crafts, or games for children ranging in ages from 4-12 years. They will also contribute to ensuring a safe and clean program site.

Being an LIT also qualifies towards OSSD 40 hours of community service.

If interested, please contact Sandra by emailing

sandra@silverheightsneighbourhood.com and keep checking our social media for more information!
